

## Episode 128 – Planesafe with Jillian

Jillian Gustafson, Board member of the [National Air Disaster Alliance/Foundation](#) joins the geeks as this episode's guest. Members of the organization include air crash survivors, family members, aviation professionals and those who support the founding goals – Safety, Security, Survivability, and Support for Victims' Families. Jillian tweets as [@planesafeorg](#), and also blogs for the group.

We also have the aviation news from the past week, Steve and Grant's Australia Desk Report, and Pieter Johnson with his Across the Pond segment.

The week's aviation news:

- [Aviation committee looks into navigation, babies on laps](#)

Mentions:

- [Kids Fly Safe](#)
- [DOT's Aviation Child Safety Points are not adequate to NTSB](#)

Happy holidays to all our listeners!
